## TOWN COUNCIL AGENDA REPORT

**TO:** Mayor and Councilmembers  
**FROM/PHONE:** Barbara McDaniel, MMC, Assistant Town Clerk, 797-1023  
**SUBJECT:** Ordinance  
**AFFECTED DISTRICT:** Townwide

**TITLE OF AGENDA ITEM:** AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, AMENDING THE TOWN'S OCCUPATIONAL LICENSE RATE SCHEDULE IN ACCORDANCE WITH CHAPTER 205.0535(4) OF THE FLORIDA STATE STATUTES BY INCREASING THE RATE OF EACH CLASSIFICATION BY FIVE PERCENT; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

**REPORT IN BRIEF:** In order to increase fees, Florida Statute 205.0535(2) required that an equity study commission be established and a new rate structure established by October 1, 1995. In 1994, an Occupational License Equity Study Commission was created to review the occupational license fee structure. The Commission met on a number of occasions in 1994 and 1995 and reviewed the fees against the fees of other municipalities and Broward County. Staff discovered that the Town's fees were among the lowest fees in the County and the Commission made recommendations to increase some fees, create new categories, and restructure other categories.

After the conditions of Florida Statute 205.0535(2-3) were met, Florida Statute 205.0535(4) provides that local governments may increase the occupational license fees up to 5% every other year. Currently the Town's fees continue to be typically lower than fees that are charged by surrounding cities and by not increasing fees, there would be a long-term impact on the fee structure. Per preliminary budget discussions, it was concluded that fee enhancements would be important to funding in Fiscal Year 2004-2005. By increasing the license fee schedule, it is anticipated that approximately \$35,222 in revenue would be generated each year for the next two years. As Statutes allow this adjustment only every other year, this increase would take effect October 1, 2004 and would not be applied retroactively. Renewals are mailed August 1st and approving this ordinance would allow staff adequate time to make the necessary changes to approximately 350 categories.

**PREVIOUS ACTIONS:** Council appointed an Occupational License Equity Study Commission in 1994 and during 1994 and 1995, the Commission reviewed all categories and made recommendations concerning the fee structure with such amendments being effective October 1, 1996. On July 1, 1998, July 5, 2000, and May 15, 2002, Council approved a 5% adjustment to the occupational license fee structure.

**CONCURRENCES:** not applicable

**FISCAL IMPACT:** not applicable

**RECOMMENDATION(S):** Motion to approve the ordinance
